

NOUMENA: DIGITAL

The Next Generation of Wealth Advisory

Make advisors more human – with AI.

SwissHacks 19th – 21st June 2026

\$100T+

**Global Wealth Under
Management**

One of the world's largest industries.

Real Story. Real Tech. Real Impact.

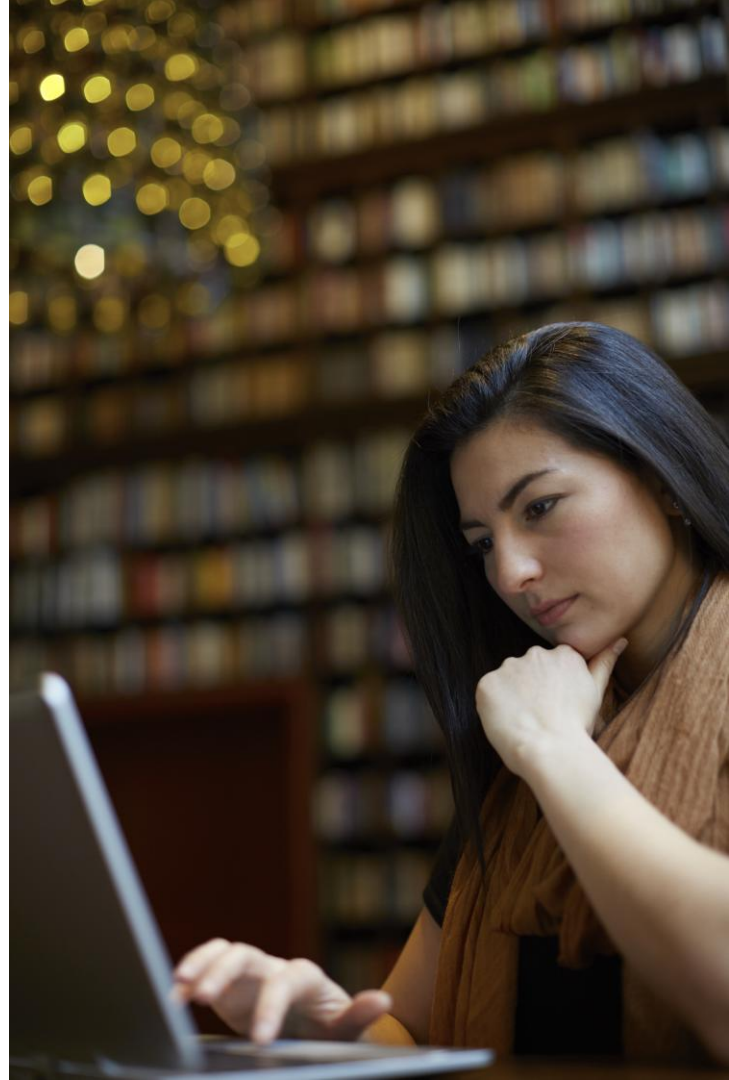

THE PROBLEM

Today, **hyper-personalised**
advice
is **reserved for the few.**

The **best Relationship Managers** know
their clients inside out.

BUT - it does not scale past a handful of
clients.

AI changes the equation!

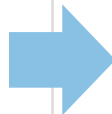

Same Strategy. Personal Asset Selection.

Today

Strategy-Guided. Reviewed Quarterly.

Result: Strategy-correct.

Problem: Quarterly. Not personal at asset level.

With your Solution

Same Strategy. Personal. 24/7.

Result: Strategy-correct.

Solution: Personal. Anytime.

Four Capabilities Your Solution Needs to Deliver

Everything You Need

4 Client Personas

SIX Financial Data
